## TOWN WARRANT

**The Polls will be open from 10:00 A.M. until 6:00 P.M.**

*To the Inhabitants of the Town of Chichester in the County of Merrimack in said state, qualified to vote on Town Affairs:*

**You are hereby notified to meet at the Town Hall in said Chichester, on Tuesday, the 9th day of March next, at 10:00 of the clock in the forenoon, to act upon the following subjects:**

1. To choose all necessary Town Officers for the year ensuing.
2. To see if the Town will vote to amend certain sections of the Town Zoning Ordinances and Building Regulations to read as follows. (Recommended by the Chichester Planning Board)
  - I. Amend ARTICLE III, Section C. Trailers, Mobile Homes, and Trailer Parks as follows:
    - C. Manufactured Housing
      1. The use of land for the accommodation of manufactured housing including trailers and/or mobile homes shall be permitted. The following provisions shall apply:
        - a. A building lot shall have a minimum area of 87,120 square feet, 2 acres, with a minimum frontage of 200 feet, on a state or town maintained highway.
        - b. No manufactured housing shall be located nearer than fifteen (15) feet to abutter's property line and thirty (30) feet from edge of the state or town maintained highway.
      2. The use of land for expansion of existing mobile home parks or creation of new parks is prohibited.
      3. The Board of Adjustment may, as special exception, permit:
        - a. Single trailers and/or mobile homes owned by residents and stored or parked during periods of non-use on the premises of the owner. Recreational trailers and vehicles are exempt.
        - b. The temporary use of a trailer or mobile home for one year to be maintained as living quarters by a person for whom a residence is being built, or as an office, storeroom, or showroom, in connection with construction work or in connection with logging operations, providing that such use is shown to be a temporary expedient and also that the use will conform with sanitary protection requirements.
        - c. More permanent use of a house trailer or mobile home to an existing residence as a temporary accessory solely for the purpose of elderly housing for relations, permitted during life of occupant, and thereafter removed.
    - II. Amend ARTICLE XI G. Mobile Home as follows:
      - G. Manufactured Housing - means any and all forms of modular, unitized or prefabricated housing, as well as mobile homes which are brought to and assembled on a building site, placed on a foundation and tied in to all conventional and necessary utility systems, and which are intended to be used as a permanent dwelling unit. "Manufactured housing" does not include housing or mobile homes which are fully constructed on the site.
    - III. Amend Building Regulations #2 as follows:
      - Annex the following sentence:  
This provision includes the installation of manufactured housing.
    - IV. Addition to Building Regulations #5 as follows:
      - p. Manufactured Housing
        1. Sectional Housing must conform to the National Building Code, 1967 Abbreviated Edition.
        2. Mobile Homes must conform to the National Fire Protection Association Standard No. 501B.
          - a. Mobile homes shall be fully skirted.
          - b. Wheel and axle assembly shall be removed.

Article 3 through Article 18 will be taken up at the second session of the Annual Town Meeting on Saturday, March 13, 1982 at 1:30 P.M. at the Town Hall.

3. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.
4. To see if the Town will vote to raise and appropriate from Revenue Sharing Funds five thousand dollars (\$5,000.00) towards the purchase of replacement of equipment. (At the request of the Chichester Fire Department.)
5. To see if the Town will vote to raise and appropriate the sum of one thousand two hundred dollars (\$1,200.00) for the Library operating expenses from March 1982 until March 1983. This represents an increase of two hundred (\$200.00) over last year's appropriation. (At the request of Library Trustees.)
6. To see if the Town will vote to raise and appropriate the sum not to exceed nine hundred twenty-nine dollars (\$929.00) for the continuation of services to low-income and elderly residents of Chichester through the Concord Area Center, Community Action Program, Belknap-Merrimack Counties, Inc.
7. To see if the Town will vote to raise and appropriate a sum not to exceed two thousand five hundred dollars (\$2,500.00) for the purpose of surveying the parcels of land owned by the Town.
8. To see if the Town will vote to continue plowing snow on certain private roads as it has done in the past.
9. To see if the Town will vote to authorize and require the Selectmen to reappraise the Town, taking into consideration restrictions in land use under current zoning regulations and apparent inequities in the appraisal recently completed. (By petition.)
10. To see if the Town will vote to appropriate the sum of five thousand dollars (\$5,000.00) to be drawn upon by the Selectmen to cover unusual business expenses incurred in such reappraisal. (By petition.)
11. To see if the Town will vote to raise and appropriate the sum not to exceed four thousand two hundred sixty-six dollars (\$4,266.00) as the Town's share of the cost of operating the Center Barnstead Ambulance service during daytime hours only. (By request of the Barnstead Fire Department.)
12. To see if the Town will vote to authorize the Selectmen to appoint a clerk to assist the Selectmen in their duties, and raise and appropriate an annual compensation not to exceed three thousand dollars (\$3,000.00) for such clerk.
13. To see if the Town will vote to increase the salary of the Town Clerk from fifty-five dollars (\$55.00) per year to five hundred dollars (\$500.00).
14. To see if the Town will vote to raise and appropriate the sum not to exceed one thousand one hundred dollars (\$1,100.00) for Planning Board Member Salaries. Five hundred dollars (\$500.00) for Chairman and one hundred dollars (\$100.00) for each member. These salaries to be paid annually. (By petition.)
15. To see if the Town will vote to authorize the Road Agent to reconstruct and maintain a section of Trapp Road, so called, from Route 4, a distance of  $\frac{3}{4}$  mile, more or less, and to raise and appropriate a sum not to exceed five thousand dollars (\$5,000.00) for that purpose.
16. To see if the Town will vote to instruct the Selectmen to sell, by bid process, the town dump truck, and to remit to the general fund all revenue received, for the purpose of reducing current year taxes.
17. To see if the Town will vote to appropriate the sum not to exceed twenty-five thousand dollars (\$25,000.00) for the purchase of a new Town dump truck. Said purchase to be made by the Selectmen, by bid process, to specifications determined by the Road Agent. Said purchase to be funded as follows:
  - a. To authorize the Selectmen to withdraw from the Capital Reserve Highway Equipment Fund such sums as

are available, and appropriate the same.

- b. To authorize the Selectmen to appropriate from the Revenue Sharing Fund the sum of six thousand dollars (\$6,000.00).
- c. To authorize the Selectmen to raise and appropriate from current year taxes the sum not to exceed nine thousand dollars (\$9,000.00).

18. To see if the Town will vote to raise and appropriate the sum of seven hundred twenty dollars and one cent (\$720.01) as the Town's share of Town Road Aid money, the State to contribute four thousand eight hundred and eight cents (\$4,800.08).

19. To transact any other business that may legally come before said meeting.

Given under our hands and seals this 21st. day of February, in the year of our Lord nineteen hundred and eighty-two.

## **SELECTMEN'S REPORT FOR 1981**

During the past year, there have been many activities underway in Chichester relating to town government, all of which will have an impact on our town for many years in the future. Some of these are as follows:

1. The new bridge over the Suncook River on the Websters Mill Road has been opened to traffic. The new Bridge over the Suncook River on Depot Street is almost finished and will be opened sometime in the spring.

We are fortunate that the cost of both of these bridges will be minimal to Chichester because they were financed 80 percent under a provision of the Federal Aid Highway Act of 1978. This Act allowed qualified bridges off the Federal Highway System to be financed with federal money from the Federal Highway Trust Fund. Of the remaining 20 percent, the State of New Hampshire is paying two thirds with the towns financing the rest.

The total cost of each of the bridges is approximately \$550,000. In the case of the Websters Mills bridge which goes between Chichester and Pittsfield, each town will share equally in their part of the cost of the bridge. This will be about 3.5 percent or \$19,250. The town's share of the Depot Street bridge and the restoration of the old bridge must be paid entirely by Chichester since the bridge is entirely within the boundaries of our town. Our share will be 7 percent or \$38,500. Chichester's share of the two bridges will be about \$57,750.

2. The 3.5 mile road system of the Five Hills Estate development was taken over by the town last fall. The Selectmen accepted the roads after they had been brought up to standards required in our zoning regulations. The cost of the improvements will be paid by owners of property in the development through a ten year \$100,000 loan guaranteed by the town. Some additional road improvements within the development principally to gain better access to the roads from the town road, straighten out a bad curve and reinstall guard rails were financed largely from interest acquired on the \$100,000 rate while waiting to meet the schedule of the contractor.
3. A new fire truck has been purchased and is now one of our fine fleet of three fire fighting trucks and an emergency vehicle. It was necessary to replace a new pump for one of the older fire trucks. While doing so, we ordered one with greater pumping capacity at the request of Fire Chief David Lucier.

The Fire Department is manned by a fine, enthusiastic and dedicated group of volunteer firemen.

4. Interest of over \$12,000 was acquired on balances in town accounts through careful monitoring by your selectmen. Deposits were made through local banks in certificates yielding the maximum interest possible.
5. The revaluation of the property in the town as ordered by the New Hampshire Tax Commission has been completed.
6. A committee to review possible uses of the Grange Hall and other town buildings as recommended at our last town meeting has met several times. The committee was chaired by John Saturley who will present the committee's recommendations and options at our upcoming meeting.
7. The Pittsfield Solid Waste Facility through improved management and more efficient operation of its incinerator has reduced its overall annual costs. This is reflected in a reduction in Chichester's share of the cost from \$16,073.50 for 1980-81 to an estimated \$13,371.36 for 1981-82.

As we look to the future we must be realistic in recognizing that current trends in the Federal government and the State of New Hampshire indicate that there will be less federal and state aid for Chichester in future years. Furthermore, we have a heavy debt amortization schedule of costs to meet in the immediate years ahead. Our total annual cash flow and budget for operating the town government and school system is approaching a million dollars a year. All of this money passes through the selectmen's office. It behooves us, therefore, to scrutinize carefully all appropriations and expenditures. Furthermore, we must take all steps necessary to control our expenditures and administration of our town affairs.

Therefore, your selectmen recommend the following:

- (a) Development of a system of fiscal controls to include monthly financial statements. Such statements would show amounts in each category budgeted to date, amounts expended and amounts overspent or underspent.
- (b) Improved administration of the Selectmen's Office through:
  - Maintaining the bookkeeping system and reviewing of all bills to be paid.
  - Greater access to the Office by the townspeople through maintaining an open office one or two days a week.
  - Better handling of correspondence and responses to state and federal government requests for information required by law.
  - Maintaining an up to date filing system.
- (c) Employment of a part-time person qualified to implement the foregoing.

## REPORT OF THE CHICHESTER VOLUNTEER FIRE DEPARTMENT

Citizens of Chichester:

This has been an active, busy year for the Fire Department. We've responded to one hundred and thirty-six calls. They are itemized for your convience as are our expenses that we incurred this year.

Our new firetruck, a GMC chassis with a pumper and tank, arrived Saturday, October 3, at 8:15 a.m., from Middlesex Company, Montpelier, Vermont. The truck has lived up to all our expectations; training has gone well.

When good weather returns we, (the firemen) will finish shingling the other half of the roof to complete the new look of our station. Many hours of work have been put in painting and fixing up.

We've all put in long hours of training and some firemen have gone to fire school to help better prepare themselves. These classes are held in the early summer and all our men are encouraged to attend. As always, we will welcome anyone who is interested in joining the department. Training is held every Monday night, anyone interested is cordially invited to attend and observe.

At this particular time we, (the firemen) would like to take this opportunity to say thank you for the support and encouragement we received in obtaining our new truck. Special thanks goes to Ed Frekey for all the paper work involved in making this purchase possible. Having seen the mound, I can fully appreciate how much he's done for the Fire Department.

We have had donations from various citizens, we are appreciative of these, and they have helped obtain necessary equipment.

May you all enjoy a Safe, Fire Free year.

Chief

AMBULANCE REPORT**

December, 1981

Board of Selectmen & Budget Committee Members

The Center Barnstead Fire Department requests the Town of Chichester to raise, for the ensuing 1982/83 budget year, the sum of \$4,266.00 dollars. This amount we are requesting your Town to appropriate will be your share of the total budget of \$37,318.00 dollars, which will be needed to operate our ambulance service in your respective town.

Each year, all appropriated money from the six towns that we cover is used strictly for the salaries of our two daytime ambulance attendants, and is not used for maintenance, supplies or purchase of equipment.

Also attached to the budget are copies of our 1981 expenditures and financial statement. You may contact us at anytime with questions you may have regarding this budget.

Thank you very much;  
Rodney T. Boyd, Chief  
Donna Stockman, Ambulance Crew Chief

## REPORT OF THE CHICHESTER LIBRARY

Chichester Library has continued to provide its services throughout 1981. Librarian Sylvia Dane has been unable to climb the library stairs, but Edith Bailat has been serving as assistant librarian. Mrs. Bailat has kept the library open on Saturday mornings and has also taken over the delivery of books to shut-ins. Volunteer aids shelve books and keep the library open on Thursday nights. The shift of the Selectmen and Planning Board meetings to Thursday nights has resulted in a few new borrowers for the library and also makes a great deal of sense in terms of heating the building and making the library a safer and more cheerful place for a library aide to spend an evening.

Faye McAnney has begun her term as library trustee. She is serving as a library aide as well.

The State Library continues to provide Chichester Library with books, but the form of its service has changed. A book van now delivers boxes of books, which can be chosen by town librarians from the shelves in Concord or selected by the book van personnel. In 1981 the van came in April and in August, delivering 1244 books for Chichester readers to enjoy.

A new source of borrowers for the library is the kindergarten, which meets in the Town Hall. The children make weekly visits to the library, and a special effort has been made to increase the stock of easy-to-read books for them.

Many books have been donated this year, and some were purchased as well. Now more shelving is needed to accommodate them. Some money (\$200) has been set aside for shelving, and the trustees hope to do some rearranging in the library during the summer of 1982.

The library was cleaned in November and some new drapes were hung to brighten things up a bit. Prints by New Hampshire artists purchased with money from the Dr. Harold Conrad Fund are now on display and are available for borrowing either singularly or as a set.

June Hatch represented the library on the committee formed to study the Town Hall and the Grange Hall. Although it seems unlikely that the library will be making a move in the near future, more space and a ground floor location would be desirable. Money in the Building Fund and the Arnold Newcomb bequest are in certificates of deposit earning as high a rate of interest as possible until they can be put to use.

Chichester, N.H

From: Adhoc Committee on Town Halls

In response to your request the Committee has spent some time in reviewing the use of the Town Hall and the Grange Hall for the purpose of making suggestions for future improvements and usage.

We suggest that the following actions would be feasible:

1. Consider plans to construct an equipment building on Town owned land in order to remove motorized equipment from under the Town Hall.
2. Establish a Building Committee to consider making more space for Selectmen's office, relocating Library on ground floor, and whether it is necessary to enlarge Town Hall for meetings.
3. Consider purchase of Oakes and Batchelder properties when available for future expansion of Fire Department, and to obtain space for parking and installation of water and toilet facilities at the Grange Hall building.
4. Repair roof on Grange Hall. Downstairs hall in this building should be cleaned and painted. We believe this hall should be maintained for special community functions.

We believe that a Master Plan should be developed for the Town of Chichester.

## THE STATE OF NEW HAMPSHIRE

*To the inhabitants of the School District in the Town of Chichester qualified to vote in District affairs:*

**You are hereby notified to meet at the Town Hall in said district on the 6th day of March, 1982 at 2 o'clock in the afternoon to act upon the following subjects:**

1. To choose Agents and Committees in relation to any subject embraced in this warrant.
2. To hear the reports of Agents, Auditors, Committees, or Officers chosen and pass any vote relating thereto.
3. To determine and appoint the salaries of the School Board and Truant officer, and fix the compensation of any other officers or agent of the district.
4. To see if the District will vote to authorize the School Board to accept donations and gifts on behalf of the School District.
5. To see if the District will vote to authorize the School Board to accept and expand on behalf of the District a sum of money not to exceed \$13,700.00 to be obtained from the Federal Government or other sources that may make such funds available to the District; provided that the school district will not be thereby required to raise any money by local taxation in this or subsequent years as the result of such expenditure of \$13,700.00
6. To see if the District will vote to authorize the School Board to apply for, accept and expend, without further action by the School District Meeting, money from the state, federal or other governmental unit or a private source which becomes available during the 1982-1983 school fiscal year, provided that such expenditure be made for purposes for which a School District may appropriate money and that such expenditure not require the expenditure of other School District funds. Further, that the School Board hold a public hearing prior to accepting and spending such money.
7. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state foundation aid together with other income; the School Board to certify to the Selectmen, the balance between the estimated revenue and appropriation, which balance is to be raised by taxes by the town.
8. To transact any other business which may legally come before said meeting.

Given under our hands at said Chichester this 11th day of February, 1982.

## **CHICHESTER SCHOOL BOARD REPORT**

Each year, the job of school board member becomes more complex. As soon as one problem is solved, there seems to be another to take its place.

In May, after months of research and preparation, our old septic system was replaced. A new septic tank and dry wells were installed as well as separate dry wells for the water conditioner discharge and roof drains. David Watson of Pittsfield was the contractor. He moved in with his equipment and had the job done in far less time than it took to decide "what" and "how" to handle this vital project. The board was very pleased with his work.

It was necessary to make new arrangements for transportation because Kempton Ricker was released from his contract for health reasons. "Thank you Kempton, for your many years of devoted service to the town." A new company - Ricker Transportation, Inc. - was formed by Earl & Marilyn Weir and Lloyd and Virginia Ricker. The board negotiated a transportation contract with them. We are pleased to continue to do business with the Ricker family.

Our summer was spent with the long process of hiring a new superintendent due to the resignation of Gerald Croteau. The staff at the central office "carried on" during the time Gerald Croteau left. Patsy Bauer took over as "interim superintendent" and finally the arrival of our new superintendent George Blaisdell.

Some of our "energy saving" projects are completed and savings are immediately evident. We are making plans to replace some of the windows in the oldest part of the school. Latest guidelines indicate Energy Funds will have to be used by September 1982.

Because of the septic system failure and the expense of pumping it every week school was in session, we could not complete some of the projects budgeted for. The dividing curtain was not replaced. After getting estimates for budgeting purposes, being told in the spring the cost had doubled, we could get no one to even come to talk with us. In desperation, we removed the broken parts and had Wilbert Lane make new ones. The result is a curtain that does work! Housekeeping duties have been extremely time consuming.

We hope to spend more time on academic issues. Under the direction of Mr. Blaisdell we are in the process of reviewing our curriculum to see where improvements can be made. We will continue to support our dedicated staff with the best supplies and financial support the town can afford.

Please remember - we who serve on the school board are taxpayers like you - willing to serve (to the best of our ability) because we love our town.

Mr. Kempton L. Ricker  
Bear Hill Road  
Chichester, New Hampshire 03263

Dear Kempton:

I wish to advise you that at the meeting held on January 21, 1981, the Chichester School Board voted with regret to release you from your transportation obligations to the Chichester School District as of July 1, 1981. This vote was taken in accordance with your letter of January 21, 1981.

On behalf of the School Board, Richard Fowler and myself, I would like to thank you for your many years of outstanding service to the School District and to the Community. You certainly have every reason to be proud of your contribution to Chichester. It has been a pleasure doing business with such a forthright and honest individual such as yourself. I hope to see you soon.

Very truly yours,

Dr. Gerald A. Croteau  
Superintendent of Schools

## **REPORT OF THE SUPERINTENDENT OF SCHOOLS**

As your new Superintendent of Schools, I have been impressed with the cooperative efforts between the school administration and staff, the community, and the members of the School Board. Honest efforts are being made to provide the best educational program possible for all of our students within the limits of the resources provided by the community. The most outstanding resource we have is people. Several volunteers from the community allow us to provide portions of programs we could not otherwise provide. School Board members have shown their interest in and commitment to the school program by the many hours they have spent on behalf of our students and by their very real assistance in dealing with issues which arise.

My observations of all teachers within the school district have been very encouraging to me. I saw a good program, competently taught by professional educators. You can feel proud of the dedicated staff you have, they represent a real asset to your school. Their staff development efforts, required by the state, are quite good. As I have reviewed their plans and their in-service training efforts, I have been impressed with their efforts.

Major goals of establishing a system of curriculum review and revision have been started. It is important that we assure that what we teach, the way we teach, and the materials which we use to teach really meet the educational needs of our students.

The school has made significant progress in its goal of educating all possible special needs students within the Chichester Central School. It is rewarding to see the progress being made by these youngsters. Jaclyn Adams, Special Education Administrator for School Administrative Unit (SAU) #53, has worked closely with the Chichester staff, to plan appropriate programs for these students. The district has also realized some cost savings due to this approach.

Federal funds for the district are used exclusively for programs, within the district and are managed by the SAU office. These monies allow us to supplement our program at the school. Facing a time of declining federal and state revenues, we shall have to review our needs and resources very carefully to continue to meet our students' educational needs.

Dr. Gerald Croteau, former Superintendent of Schools, resigned late in the year and moved to another Superintendency in another state. The SAU Board hired Ms. Patsy Baugh to be Interim Superintendent until the position was filled. Following an extensive selection process, I was hired and began as your Superintendent on October 5th. I believe that schools, communities, and parents should be partners in educating our children. All of us, together, educate our children. How well we do that depends, in part, on our ability and willingness to work together on our children's behalf.

As part of a review of some of the services we provide, a comprehensive study of the SAU office is currently being performed by staff from the Center for Educational Field Services from the University of New Hampshire. It is my sincere hope that this study will assist us in providing cost effective services required of the SAU office for all towns with the SAU district.

I very much appreciate the efforts of the School Board, staff, and community residents in assisting me to get started in a new job and look forward to working with you on behalf of our students in the future.

Respectfully submitted,  
**GEORGE I. BLAISDELL**  
Superintendent of Schools

## **PRINCIPAL'S REPORT**

The Chichester Central School opened in September 1981 with an enrollment of 195 students. We have since grown so that presently we have 204 students.

The staff assignments were as follows:

Grade 1 - Johanna Hassett  
Grade 2 - Virginia Sanborn  
Grade 3 - Sue Williams  
Grade 4 - Deborah Ingram  
Grade 5 - Jean Palenius

Grade 6 - Patricia Brown  
Grade 7 - James Fifty  
Grade 8 - John Farnum  
Resource Room - Elaine Coffey  
Title I - Betty Cate  
Music - Mary Ewert

Due to lack of qualified candidates, a full time speech and language therapist was not hired until the first of January, Jane Fitzpatrick, a recent graduate of U.N.H. has accepted the position and is now working with our students with special needs in speech and language area.

Title I money was reduced this year so we now have only one person working with students who need remedial reading.

Last year bids went out for the replacement of the schools' septic system. David Watson, Pittsfield was the contractor hired to renew the septic tank and dry wells.

During the April vacation, the incandescent lighting fixtures in the school were replaced by fluorescent fixtures by A. L. McDonnell, Pembroke. This was done to save energy and has resulted in a substantial savings in kilowatts used per month.

During the summer new doors were installed at the south entrance of the school. This replacement consists of two single acting aluminium doors that are wide enough to meet handicapped codes. The doors are also designed to conserve energy and were installed by ABC glass company of Pembroke.

Last winter the 7th and 8th grade boys basketball team ended the season by taking second place in the Merrimack Basketball League tournament.

This year the school has a girls basketball team. This team is coached by Virginia Sanborn and assisted by Jack Boyd.

Respectfully,

RICHARD T. FOWLER
